# 87 JALSA SALANA GHANA

**THEME** BUILDING A VIOLENCE FREE SOCIETY,  
THE ROLE OF THE CITIZEN

January 4 ,5 and 6 2019

Bagh-e-Ahmad, Pomadze

## Purpose Of Jalsa Salana

*“ The primary purpose of this Convention is to enable every sincere individual to personally experience religious benefits; They may enhance their knowledge and—due to their being blessed and enabled by Allah, The Exalted- their perception [ of Allah ] may progress. Among its secondary benefits is that this congregational meeting together will promote mutual introduction among all brothers, and it will strengthen the fraternal ties within this Community..” (Ishtihar 7 Dec. 1892, Majmoo`ah Ishtiharat Vol. I, Page 340).*

## Not an Ordinary Convention

*“ It is essential for all those who can afford to undertake the journey, that they must come to attend this Convention which embodies many blessed objectives. They should disregard minor inconveniences in the cause of Allah and His prophet (peace be upon him.). Allah yields reward to the sincere persons at every step of their way, and no labour and hardship, undertaken in His way, ever goes to waste. I re-emphasize that you must not rank this convention in the same league as other, ordinary, human assemblies. This is a phenomenon that is based purely on the Divine Help, for propagation of Islam.” (Ishtihar 7 Dec. 1892, Majmoo`ah Ishtiharat Vol. I, Page 341)*

## Blessing Of The Jalsa

*Ahmadis should participate in the Jalsa with zeal and vigour. This is your Jalsa Salana. Do not be absent without any valid reason. Some people only come for one day instead of all three days and then their objective is to meet friends rather than gain the blessings of the occasion. If Jalsa is kept in mind, then attendance on all three days is essential.*

*Listen to the speeches and other programmes in silence paying full attention. Do not waste this precious time.*

*Guest should remember that all these arrangements are temporary.*

*The volunteers should work very hard to serve the guests, but occasionally if there is any shortfall, they should gently draw the attention of the workers to it. There is no need to be angry. The arrangements are large scale and there are bound to be some deficiencies. They should be tolerated and overlooked.*

**PRAYER OF THE PROMISED MESSIAH  
AND MAHDI FOR THOSE WHO ATTEND JALSA**

*I pray that everyone who travels for [attending] this Convention that is for the sake of Allah: May Allah, the Exalted, be with him, reward him in abundant measure, have mercy on him, ease up for him his circumstances of hardship and anxiety and eliminate his anguish and grief. May He grant him freedom from every single hardship and lay open for him the ways of [achieving] his cherished goals, and raise him up, on the day of Judgment, among those of His servants who are the recipients of His blessings and Mercy. May He be their Guardian in their absence until after their journey comes to an end. O Allah! O Sublime One and Bestower of bounties, the Ever Merciful and One Who Resolves all problems, do grant all these prayers, and grant us Victory over our opponents with scintillating signs, because You alone have all the prowess and power. Ameen! Ameen!!”*
